— What is Friendship Walk?

Best Buddies Philippines will launch its first ever Friendship Walk in the country in 2025 in two different locations. Best Buddies participants from different countries celebrate **Friendship Walk** as the world's largest walk that raises funds and awareness for individuals with intellectual and development disabilities (IDD). As a premier flagship event of Best Buddies all over the world, the walk is global movement of social inclusion and friendship. Each walk raises funds for individuals with IDD one Buddy at a time. The event features a program, performances, and community booths that foster an inclusive atmosphere where families are welcome. Funds raised directly support Friendship, Leadership and Employment program expansion.
